Attorney Docket No. 10052/5901

Dear Examiner Nguyen:

Thank you for the personal interview earlier this week. As discussed, attached is a proposed amended claim 1 for your consideration.

Also attached are copies of: (1) U.S. Patent No. 6,603,259; and (2) an article entitled, "44.3L: A Printed and Rollable Bistable Electronic Display." Both of these items will be formally cited in a Supplemental Information Disclosure Statement, which will be submitted with the response to the May 9, 2005 Office Action.

Please do not hesitate to contact the undersigned with any questions.

Respectfully,

Clifford A. Ulrich

Hello Mr. Ulrich,
I did consult with a primary examiner and our opinions are the OLED with flexible substrate could be overcome by a second reference. the limitation wound at least one complete revolution still can not overcome the primary reference (Peuhu et al.).
Respectfully,
Tu Nguyen

Re: U.S. Patent Application Serial No. 10/020,336
Inventors: Michael HACK et al.
Attorney Docket No. 10/020,336

Dear Examiner Nguyen:

Attached is a set of draft amended claims for discussion during tomorrow's personal interview in connection with the above-referenced application. One of the inventors, Michael Hack, will be present during and participating in the interview. Among the general issues for discussion are:

1. Patentability of Claim 1 over U.S. Patent No. 6,311,076 to Peuhu et al.
2. Patentability of Claims 24, 33, 38 and 39 in view of "Second Declaration Under 37 C.F.R. 1.131"
3. Patentability of new Claim 56

We will telephone you upon our arrival at the Alexandria complex. If you should need to reach me tomorrow morning prior to the interview, please telephone me on my cell phone at (516) 395-6779.

Respectfully,
